Year 3 Art

We were excited to have Mrs Jayne visit to teach us about the skill of printing. We explored how to remove paint to create missing space on the page. We talked about texture, layers, shade and much more! It was messy and so, so much fun! Thank you Mrs Jayne, love Year 3!

Year 3 are now going to consolidate these pieces into a final piece of art, using collage. We hope to share these with parents during our class assembly on the 15th February at 2:40!

Scholastic Book Fair

The book fair will end on the 11th of February – don't forget to use your World Book Day voucher toward the cost of a book!

PE and Sport News

Wow! What an amazing week of sport! Year 4 and 5 children were invited to the Tennis Fed Cup. This is like the world Cup of Women's Tennis. This year it is being hosted up at the University of Bath. The children got to join in some fun tennis activities and then enter the Tennis Arena to watch some world class tennis players in their training matches. It didn't end there We then played on the Centre court and received some expert coaching from the Great Britain Players themselves. We certainly had a fabulous morning. Some of our children were interviewed for television coverage later this week. The pictures show a snap shot of our morning.

Year 4 Badminton Team

On Tuesday evening the St Andrew's Year 4 Badminton team took part in a Badminton Festival hosted at Ralph Allen School. They competed in a badminton skills circuit and learnt many new skills from backhand serving to effective side stepping. Well done Team!

Going Home with someone else

If your child is going home with someone else please ensure that you have let the office know

WALKING HOME ALONE

If your child is mature enough to walk home alone the office have a Permission Slip that you MUST sign.

Safer Internet Day 2019

On Monday 4th February we held an assembly with the children to discuss the importance of using the internet and technology safely.

Here are some age ratings for your reference:

Snapchat – 12 years old

Facebook – 13 years old

Instagram – 12 years old

Fortnite – 12 years old

Whatsapp – 16 years old

Roblox – 13 years old

TikTok – 12 years old

Although the internet can be exciting and offer many opportunities, it also holds a lot of potential risk. An open and honest dialogue can help to keep your child safe online.
