Severe Weather Warnings

January 2019

29th January 2019

Dear Parent/ Carer,

The local forecast has indicated that parts of our region may experience snow over the next few days. In the event of severe weather I may have to make the difficult decision to close the school which is something that I never take lightly.

In the event of a total or partial closure I will communicate using the following methods as early as possible:

- School website
- Groupcall (text message)
- Bath and North East Somerset website (<http://www.bathnes.gov.uk/schoolclosures>)
- Our school Facebook page

Local radio and media usually report school closures using information provided to them by the Local Authority. I will ensure that regular updates are offered at the earliest opportunity.

Please ensure that your child is dressed appropriately for cold weather.

Kind regards

Mrs J Rochford - Smith
Acting Headteacher
